The 19th International Conference in Asia
 "Innovation of Advanced Material for Green Technology and Sustainable Development"

Oct 31-Nov 2 '2018
 Bali, Indonesia

Indonesia Materials Research Society (MRS-INA)
 International Union of Materials Research Societies(IUMRS)

General Information

International Conference of Materials Research Society in Asia is the annual event presented by IUMRS conjoined with the ASIAN adhering body in order to provide knowledge exchange in materials science. The 19th International Union of Materials Research Societies International Conference in Asia (IUMRS-ICA) is going to be held in Bali, Indonesia on 31st October – 2nd November 2018. The venue, Bali, is the famous island in Indonesia for international tourism destination in which some magnificent temple and outstanding panoramic scenery are located. Authorized by IUMRS, IUMRS-ICA 2018 will be organized by MRS INA and co-organized by MRS-Thailand, MRS-Singapore and MRS-Japan.

The symposia on "Innovation of Advanced Materials for Green Technology and Sustainable Development" will cover topics on : Energy and Environment Materials; Advanced Functional and Structural Materials; Polymer-Bio-and Soft Materials; Nano Science & Technology; Computational Materials, Modeling and Simulation; Materials Processing and Characterization; Nu-clear Science and Technology Application, and Other related topics. An exhibition on "Advanced Materials, Manufacturing and Testing Equipment" will be held simultaneously with the con-ference.
